PRIORY SCHOOL
DORKING

15 June 2026

Dear Parents and Carers,

Please see below for this week's bulletin.

Despite a very wet trip, Year 7 students visited Box Hill on Monday and Tuesday as part of their Geography lessons.

Last Thursday, eight Year 9 students spent the day at Reigate college exploring different ways of learning and revising, whilst taking part in A Level session.

Reminder - Plea for advocates

We are now entering the time of year where Year 6 students joining us in September are beginning their induction programme. I would value any current Year 7 or 8 parents/carers that would like to be part of our induction evening and share their experience of transition. Offering prospective new parents'/carers reassurance and useful tips through this journey. If you would be able to help, please let Mrs Owen know on aon@priorycofe.com

WoW Week

During the last week of term, we will be holding our annual week to help raise awareness of mental health and different charities which can be accessed to provide support. If you run or assist any charities that can help in this area and would like to be part of our community fair that week, please contact Mrs Davidson at kdn@priorycofe.com.

Reminder - Year 10 – Senior prefect applications

Students in Year 10 have been informed that they can now apply for the roles of Head Student, Deputy Head Student, and positions within the Student Council for the next academic year. Students that apply through written application, will then be short listed through to interviews with myself. This is a fantastic opportunity for students to begin stepping into leadership roles and to help shape the direction and culture of the school.

Reminder - Joe's Buddy Line

Joe's Buddy Line are running an informative workshop for parents focused on understanding and nurturing neurodivergent children. It's designed to be accessible, practical and reassuring for families who may really benefit from it. The aim is to give parents greater confidence, understanding and tools to support their children. Bookings can be made via this link:

For free, friendly support to guide you through every step

The new Surrey Carers Income Maximisation team are coming to run a 1 hour DLA session for parents. If you have never made a claim for your child and want to find out more about who might be eligible, or if you struggle with renewal form filling, come along to this session. The experts will be sharing tips and explaining more about this important disability benefit for under 16s.
