Dear parents and carers

Re: Year 11 Exams Information Evening, Wednesday 10th November

On Wednesday 10th November at 6pm we are hosting the exams information evening for Year 11 and 13. The evening will finish at about 6:45pm and we would recommend that your child attends the evening with you.

This academic year is likely to be the first year since 2019 when students will be required to sit exams to be awarded their GCSE grades. This evening is therefore essential for you and your child to understand how these exams will be run and the preparations required for them.

The mock exams in January are significant indicators of progress towards final grades. The January mocks grades are also requested by sixth form colleges in the lead up to the transition from Year 11 into sixth form provision. This evening will contain all the information you and your child need to ensure that they know how to achieve their very best.

On the evening we will also be sharing the mock exam timetable with you and your child. Please fill in the form linked [here](#) to indicate your attendance at the evening. The form also allows you to ask any questions about exams in advance of the evening. We will cover any questions raised on the evening itself.

I very much look forward to meeting with you next week. This final year of your child's secondary education is the most crucial and we know that by working together we can provide your child with the very best opportunity to succeed.

Please watch this [short video](#) with further explanation about the evening.

Kind regards

Mrs Abbott
