Dear Parents and Carers

Despite the heavy rain overnight and during the morning, we had a very successful sponsored walk on Friday. It was great to see so many students walk the distance they did albeit wet and muddy. Thank you to those that helped out as marshalls and walkers, without your support we would not have been able to run the event.

We have to date raised £6,500 so over half way to reaching our target of £10,000. If you haven't yet sponsored your child then please do so, it was a massive achievement and we are all very proud of them. The link to donate is [here](#).

Homework update

Thank you to those of you that have made contact regarding the new homework/enrichment program for KS3. Despite information in a previous bulletin there are still misconceptions regarding the enrichment activities. Mrs Abbott (Deputy Headteacher) has recorded a short video providing clarification for everyone to see. If you still have concerns after watching this, please contact Mrs Abbott directly at lat@priorycofe.com
