Dear Parents and Carers,

Yr 11 GCSE examinations

The Year 11 GCSE examinations are now underway with the GCSE Art practical exam completed last week. I would like to wish all our students sitting GCSE examinations a positive season.

Staffing

This week I am pleased to welcome Mrs Beniparshad as our new Food Technology teacher and Mrs Delany as a new member of our learning support team.

Mental health

Thank you to the parents/carers who completed the short questionnaire on mental health. The local mental health team is becoming more established in the school now helping students on a one to one basis. We are looking for them to extend their services by doing some group work focussed around a specific area of mental health. However to support their work they are asking for parents to give them their views about your child's mental health and the support which is currently available at school. If you could complete the short questionnaire I would very much appreciate it so we can act on our findings. Previously the link was a QR code but this link should be easier to access:

They have also offered to do some parent information sessions of how to support your child's mental health. If you would be interested in finding out more please let Ms Taylor know (htr@priorycofe.com) and if there is a specific topic that you would like them to cover.
