14 October 2024

Dear Parents and Carers,

We had another busy week last week with lots of success for the Year 11 Hospitality and Catering GCSE group who completed their cooking examinations and created some amazing meals.

Year 8 Geography students visited Denbies to study the geography of the local area. In the coming weeks, they will use their research to complete a project which will be entered for a competition sponsored by a local business, Positive Perspectives.

Some of you may have noticed our Year 10 artwork displayed at Dorking station. Please do have a look or you can view it on our Instagram or Facebook pages.

We were delighted to welcome Warren Furman aka 'Ace' from the original Gladiators who spoke to pupils in Upper School assembly about his experiences with Gladiators and how he found his Faith.

Yesterday our Greenpower Racing Teams competed in the international finals at Goodwood. Thank you for all the support from families who have supported our teams throughout their season this year.

Finally, thank you to everyone that supported the Mental Health Awareness Day by encouraging their children to wear yellow or donating to the cause.
