

31 March 2025

Dear Parents and Carers,

Last Friday Year 10 & Year 11 had an assembly delivered by Sue, a member from The ASK Programme. The assembly was to share information regarding the various levels of Apprenticeships available Post 16. This is all part of the careers programme for all our students. If your child would like further information regarding Post 16 options, please advise them to contact Mrs. Bradley aby@priorycofe.com or Mrs. Sterling jsg@priorycofe.com

Thank you to all of you that have supported and have been actively involved with our social media platforms. After reviewing how we celebrate all the success of our students each day we actively post every 24 hours with updates, including photos and successes of individuals. The number of followers we have since promoting this has grown exponentially.
