Dear Parents/Carers

WoW week 14-18 July

The school will be hosting its very first “Wellness and Wellbeing Week” which will be helping to raise money for our local charities as well as raise awareness of where our students and families can reach out for support. On Monday 14 July, the school will be opening its facilities to host a Wellness and Wellbeing Fair for all our community, free of charge. We have worked with several charities who will be at the event and will be available to talk with everyone directly. It would be great to see many of you there. Please see below for information regarding the Fair and activities planned during the week.
