

THE PRIORY SCHOOL

D O R K I N G

Headteacher: Mrs J Trimnell

8<sup>th</sup> September 2025

Dear Parents and Carers,

A warm welcome to all our new students, parents, carers and [STAFF](#). It has been great to welcome all our students back into school and watch them welcome and support our new Year 7s as they settle in their new community.

I would also like to thank you for ensuring that your child/ren returned to school with all the correct equipment and uniform. As a reminder, house ties are not part of our school uniform anymore.

Last week I led assemblies for all our students where I raised the importance of us all working together to ensure we support each other to be the best we can be. With this I introduced our new strap line for the school which incorporates our values and ethos, as we are “Building Success Together”.

Many of our students have noticed all the work that has been carried out over the summer to help ensure it is as vibrant and welcoming as possible. However, we would like to brighten our corridors and classrooms to make them appealing and engaging to all our students on a daily basis. To do this, we will be raising money this year to help improve these areas of the school by having professional wall art fitted. These are not cheap and will need to be a rolling process. However, if any of our community know of companies that would be willing to sponsor our project, I would be more than happy to hear from you. I have provided a couple of examples of the wall art we will be seeking to install:

**Open evening** – If your child would like to take part in our Open evening this year, please complete this [consent form](#).
