Careers opportunities for students

At The Priory School, we are passionate about helping our students develop a greater understanding of the exciting opportunities that await them beyond school. To do this, we are looking to strengthen the links between our students and the world of work—and we would love your support.

Throughout the year, we are keen to invite parents, carers and members of our wider school community to share their career journeys through short, engaging assemblies. Whether you work in healthcare, business, technology, engineering, education, the creative industries, public services, trades, or any other sector, your experiences could inspire and motivate our young people as they begin to think about their own futures. We also have two exciting careers events planned for 10 November:

- Mock Interviews for Year 11 students – helping them build confidence and develop vital employability skills.
- Careers Fair for Year 9 and Year 10 students – providing an opportunity to explore a wide range of professions and career pathways.

We are looking for volunteers who can contribute their time, expertise and enthusiasm. Whether you can deliver a short talk, take part in mock interviews, host a stand at our careers fair, or support in another way, your involvement could make a lasting difference to our students.

If you would like to help or find out more, please contact Mrs Sterling, Careers Lead, at jsg@priorycofe.com.

Thank you for helping us to broaden our students’ horizons and inspire the next generation.
