Dear Parents and Carers,

Open Evening and School Tours

A huge thank you to the many students who attended our Open Evening last Thursday, either helping within departments or acting as tour guides for prospective students and their families.

Your enthusiasm, confidence and willingness to give up your time helped make the evening a tremendous success. The positive comments we received from visitors about our students were a real credit to both you and the school.

History Club

Mrs Davies is asking for your help with a History Club project. Please encourage your child to talk to family members, look through family records or objects, or use online research tools to discover stories about relatives and local people connected to the First and Second World Wars. We would love to hear about your family's heroes and how life in Dorking and the surrounding areas has changed over the years.

It would be great to include name, dates, photographs, letters, medals etc. to bring our heroes to life. As a precaution please just send photographs of any precious objects. We wouldn't want anything to become lost or damaged. Please could these stories be sent in by 30th October or email to ods@priorycofe.com so that our History Club can create a display.
